CHIEF BUSINESS OFFICER APPOINTMENT AND EQUITY TRANSFER AGREEMENT

This Chief Business Officer Appointment and Equity Transfer Agreement (the **“Agreement”**) is entered into as of **July 18, 2026**, by and among **Ellis Intelligence Inc.**, a Delaware corporation (the **“Company”**), **Sammy Abdella** (the **“Founder”**), and **Nancy Wu** (the **“Executive”**).

1. Appointment. Effective immediately upon execution of this Agreement, the Company appoints Nancy Wu as its **Chief Business Officer**. Executive accepts the position and shall lead business development, enterprise sales, strategic partnerships, commercialization, fundraising support, and other business functions reasonably assigned by the Chief Executive Officer.

2. Immediate 50% Equity. In consideration of Executive accepting the position and providing services to the Company, Founder hereby irrevocably transfers and assigns to Executive, effective immediately upon execution, such number of Founder’s shares of Company common stock as is necessary for Executive to own **fifty percent (50%) of the Company’s issued and outstanding common stock immediately after the transfer** (the **“Transferred Shares”**). The Transferred Shares are fully vested upon transfer, are not subject to any vesting schedule, and are not subject to forfeiture merely because Executive’s service later ends.

3. Share Records. The Company shall promptly record Executive as the owner of the Transferred Shares in its capitalization table, stock ledger, and other applicable corporate records and shall deliver any stock certificate or electronic evidence of ownership customarily issued by the Company. The exact number of Transferred Shares is: ________________ **shares**.

4. No Continuing Percentage Guarantee. The 50% ownership percentage is measured immediately after the transfer. Executive’s percentage may later change because of financings, equity grants, conversions, stock splits, acquisitions, or other issuances. This Agreement does not provide anti-dilution or percentage-maintenance rights.

5. Employment; Compensation. Executive’s service is at will and may be ended by either party at any time, subject to applicable law. Any salary, bonus, benefits, expense reimbursement, or other compensation shall be agreed separately in writing. Termination of service shall not reverse or forfeit the Transferred Shares.

6. Confidentiality and Intellectual Property. Executive shall protect the Company’s confidential information. All work product, inventions, materials, strategies, software, documentation, and other intellectual property created within the scope of Executive’s Company duties shall belong exclusively to the Company, and Executive hereby assigns all related rights to the Company.

7. Authority; Compliance. Founder represents that Founder owns enough Company shares to complete the transfer, free of undisclosed liens, and has authority to transfer them. Each party represents that it has authority to enter into this Agreement and shall execute any additional documents reasonably necessary to evidence the appointment and share transfer and to comply with applicable corporate, contractual, securities, and tax requirements.

8. General. This Agreement is the entire agreement concerning Executive’s appointment and the Transferred Shares and may be amended only in a writing signed by all parties. Delaware law governs. Electronic signatures and counterparts are valid. This Agreement becomes binding immediately when signed by all parties.
