NO CHANGE IN ELIGIBILITY:

You qualify for **Medicaid**, effective **March 01, 2025**.

The type of Medicaid coverage you qualify for does not require or allow you to enroll in a health plan. You can get services covered by Medicaid by using your New York State Benefit Identification card (Medicaid card) at any provider that takes Medicaid. Information about your

benefits can be found in the “*About Medicaid*” section of this Notice.

How and When to Make Changes to Your Account or Coverage

Follow the steps below –

- IF ... NY State of Health has requested that you complete the renewal process by updating some information (for example, pick a health plan or update information in your application);
- IF ... Anything has changed in your life that may affect your health insurance coverage or financial assistance;
- IF ... You are enrolled in a plan and want to see if you have other coverage options.

Step 1. Go to www.nystateofhealth.ny.gov and log into your account.

OR

Contact a Navigator or Certified Application Counselor. These individuals, located at a community-based organizations and health plans, are trained to help you understand your health insurance coverage options and enroll in coverage. If you already are enrolled in a plan, you can also call your health plan for assistance.

Step 2. Make changes for you and/or your household members. You need to make the changes between **January 16, 2025** and **February 15, 2025** to see what you qualify for on **March 01, 2025**.

Below are some events in your life or a household member's life that could affect what health insurance coverage you are re-enrolled in, who is covered, or how much you pay. Tell us if:

- You move
- Your income changes (only if you are receiving financial assistance)
- You get access to or enroll in the New York State Health Insurance Program (NYSHIP)
- Your eligibility for health insurance from a job changes
- The cost of your health insurance premium from a job changes
- Your household changes. For example, you marry/divorce, become pregnant, or have a child; adopt a child, or a child is placed for adoption with you
- You become qualified for other health insurance
- There is a change in full-time student status (if applicable to application members)
- There is a change in immigration status

- You change how you plan to file your taxes. For example, you will claim new dependents (only if you are receiving financial assistance)

If you do not report changes within 30 days and they affect your ability to get government help with insurance costs, you may have to pay back some or all of the subsidies you received.

What Happens After You Make Changes to Your Account

You will receive a notice from NY State of Health with information about your new health insurance coverage and any financial assistance you will receive.

NOTE – For individuals enrolled in a health plan with a monthly premium:

Any failure to pay your premium may result in cancellation of next year's plan enrollment. If you still qualify for health insurance coverage but received a notice from NY State of Health that states your current year of coverage ended because you did not pay your premium, you must go to www.nystateofhealth.ny.gov to pick a plan for next year.

How We Made Our Decision

Sammy Abdella (RT76473K)

Marketplace ID: HX0015539368

You qualify for Medicaid because the household income listed in your application submitted on September 16, 2024 is between \$0 and \$20,783.00.

This is the allowable income range for Medicaid based on your household size. The household income listed in your application is \$5,000.00. We used this information to renew your coverage for the upcoming year. Come back and update your account if this is no longer your household income.

About Medicaid

What You Need to Know if You Have Other Health Insurance or Medicare:

Our information shows the following individual(s) have other health insurance or Medicare.

- **Sammy Abdella**

How to use your Medicaid benefits when you are enrolled in other health insurance.

You must present your health insurance card or Medicare card AND your New York State Benefit Identification card (Medicaid card) to your provider at the time of service. The provider is required to bill the other insurance or Medicare before billing Medicaid.

Medicaid may pay for additional benefits and services that are not covered by your other health insurance or Medicare as long as your provider accepts Medicaid.

If you lose your other health insurance or get new insurance, please update this information in your account or call us.

You may be able to get health insurance premiums paid by Medicaid.

If you are enrolled, or can be enrolled in employer group health insurance, Medicaid may be able to pay your premiums. Call us for more information.

If you have Medicare, no action is needed. NY State of Health will determine if you are eligible for reimbursement of your Medicare Part B premiums and notify you of our decision in a separate notice.

How to Use Your State Benefit Identification Card (Medicaid Card)**Important information about your New York State Benefit Identification card (Medicaid card):**

If you are new to the Medicaid program, you will receive a New York State Benefit Identification card (Medicaid card) in the mail. If you received Medicaid benefits in the past and were issued a card at that time, you should use that card.

You must bring your card with you each time you use medical services.

If you need medical care before you receive your card, you must make sure the provider accepts Medicaid. The Medicaid program can only pay the bill for medical services if the provider accepts Medicaid.

For more information on what services are covered by Medicaid or to find a Medicaid provider near you, please call the Medicaid Helpline at 1-800-541-2831.

Call NY State of Health immediately at 1-855-355-5777 if you do not get your Medicaid card or your card does not work, is lost or stolen. You should keep your Medicaid card even if you stop receiving benefits. The same card may be used again if you qualify for Medicaid in the future.

If You Think We Made a Mistake

If you think we made a mistake about your eligibility, you can call us to discuss your concerns. Call NY State of Health at 1-855-355-5777 (TTY: 1-800-662-1220).

How to File an Appeal and Additional Information

An appeal is your request to NY State of Health to review and change a decision we have made about your eligibility.

How and When to Ask for an Appeal

You can request an appeal by doing one of these things:

- Call us at 1-855-355-5777 (TTY: 1-800-662-1220).
- Mail your request to: NY State of Health, PO Box 11729, Albany, NY 12211.
- Fax your request to 1-855-900-5557.

You have 60 calendar days from the date on this notice to ask for an appeal. You will receive a letter from NY State of Health saying that we received your request. We will send you a letter telling you the date and time of your appeal hearing.

Asking for Aid to Continue

You can ask for Aid to Continue to keep your current coverage while you go through the appeals process. You must ask for this when you ask for an appeal. This means that your current insurance program will continue until a decision is made about your appeal.

If you have Medicaid coverage, we will continue your coverage if you request Aid to Continue within 10 days from the date of this notice OR before the eligibility effective date listed in this notice, whichever is later.

The Appeal Hearing

The hearing is your chance to explain why you disagree with the NY State of Health's decision. A hearing officer will make a decision about your appeal. The hearing officer will not take sides and will not favor you or NY State of Health. The officer will conduct the hearing by phone. Here is what you need to do before, during, and after the hearing.

Before the hearing

- Look at the documents NY State of Health used to make a decision about your eligibility.
- You can send us information that might help us understand your appeal.
- You can request specific policy materials necessary to help you decide whether to ask for an appeal or to help you prepare for your appeal hearing.
- We may try to resolve your issues through an informal dispute resolution process.

During the hearing

- You can have someone with you during your telephone hearing if you want to. That person can be a friend, relative, lawyer, or other individual. Or you can participate in your hearing on your own.

After the hearing

- The outcome of an appeal could change the eligibility of other people on your account even if they do not ask for an appeal.

- If the appeal is not resolved in your favor, you may be responsible for the cost of the health coverage that you used while your appeal was being processed. Here are some examples of what you may have to do when the appeal is not resolved in your favor:
 - If you received coverage through Medicaid while your appeal is being determined, you may have to pay back the cost of Medicaid benefits you received.
 - If you were enrolled in the Essential Plan or Child Health Plus while your appeal was being determined, you may have to pay back your premium, if you have a premium.
 - If your appeal found that you are not qualified for tax credits, the IRS will reconcile your tax credits when you file your federal tax return, which may result in a tax penalty.

The term “emergency medical condition” means a medical condition (including emergency labor and delivery) manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in:

- Placing the patient’s health in serious jeopardy;
- Serious impairment to bodily function; or
- Serious dysfunction of any bodily organ or part.

The care and services related to an organ transplant procedure are not included in the definition of treatment for an emergency medical condition.
