IMPORTANT NOTICE ABOUT YOUR ELIGIBILITY THROUGH NY STATE OF HEALTH

Sammy Abdella

Marketplace ID: HX0015539368 / CIN: RT76473K

You will continue to receive Medicaid coverage until November 30, 2025.

You do not qualify for Medicaid through NY State of Health after November 30, 2025.

Helpful Information:

- ▶ **Show your other health insurance or MEDICARE card and your Medicaid card when you get medical services.** The provider is required to bill the other health insurance or MEDICARE before billing Medicaid.

Medicaid may pay for additional benefits and services not covered by your other health insurance or MEDICARE if your provider accepts Medicaid.

- ▶ **You may be able to get your health insurance premiums, including MEDICARE premiums, paid by Medicaid.** If you are enrolled, or can be enrolled in employer group health insurance, call us for more information.

If you have MEDICARE, no action is needed. NY State of Health will determine if you are eligible for reimbursement of your Medicare Part B premiums and notify you of our decision in a separate notice.

- ▶ **You asked for help paying for medical bills from the three months before your application.** We will send you a separate notice telling you if you are eligible for Medicaid during this time period or if additional information is needed.

How We Made Our Decision

NY State of Health looked at your household size, income and other information listed in your application, and information from state and federal data sources on February 16, 2025 to decide your eligibility.

If you think we made a mistake, contact us right away at **1-855-355-5777 (TTY: 1-800-662-1220)**.

Sammy Abdella

Marketplace ID: HX0015539368 / CIN: RT76473K

You get twelve continuous months of coverage from the date you last qualified for Medicaid. You no longer qualify for Medicaid after your twelve months of coverage ends because you did not send in proof of your household income by February 06, 2025. We must have proof of income to confirm you qualify for Medicaid.

You do not qualify for other programs because:

- ▶ Individuals who have coverage through Medicaid do not qualify for Child Health Plus, the Essential Plan, or the premium tax credit.
- ▶ Our information shows you are eligible for or enrolled in other health insurance that has minimum essential coverage. Individuals who are eligible for minimum essential coverage outside of NY State of Health do not qualify for the Essential Plan or the premium tax credit.

- Rules for enrollment in a Medicaid Managed Care plan may be found at § 364-j of the New York Social Services Law.

You Must Report Changes

Over the next year, you must tell NY State of Health about any changes that would affect your eligibility for enrollment in health insurance within 30 days of such a change. You need to tell us if:

- Your income changes (only if you are receiving financial assistance);
- You get access to or enroll in the New York State Health Insurance Program (NYSHIP);
- Your eligibility for health insurance from a job changes;
- The cost of your health insurance premium from a job changes;
- You become qualified for other health insurance;
- You move;
- There is a change in immigration status;
- Your household changes. For example, you marry/divorce, become pregnant, or have a child; adopt a child, or a child is placed for adoption with you;
- There is a change in full-time student status (if applicable to application members);
- You change how you plan to file your taxes. For example, you will claim new dependents (only if you are receiving financial assistance).

You can appeal a decision:

- That you do not meet the rules to buy a health plan for yourself or your family through NY State of Health. Example: You do not live in New York State, or are incarcerated;
- That you do not meet the rules for getting help paying for a health plan you want to purchase;
- On how much you must pay for your monthly premium if you applied for financial help;
- That you do not meet the rules for coverage under Medicaid, Essential Plan or Child Health Plus;
- On how much money you must pay for Child Health Plus coverage if your children are eligible for this program;

- On how much money you must pay for Essential Plan coverage if you or a household member are eligible for this program;
- That you do not meet the rules for signing up for insurance through NY State of Health during "open enrollment" or a "special enrollment period;"
- Delayed by NY State of Health. Example: You did not get a notice telling you if you meet the rules for Medicaid coverage within the required 45 days.

NY State of Health has a coordinated appeals process, which means that its Appeals Unit will hear all the issues listed above. You can find the general process for NY State of Health appeals and the details for premium tax credit, cost-sharing reductions, qualified health plans, and enrollment periods at 45 Code of Federal Regulations (CFR) part 155, subpart F. Additionally, you can find the Medicaid fair hearing rules at 42 CFR part 431, subpart E and the Child Health Plus rules at 42 CFR § 457.348(b). For Essential Plan appeals, NY State of Health follows the process and rules at 45 CFR part 155, subpart F; however, appellants cannot appeal their Essential Plan eligibility to the Federal Department of Health and Human Services.

How to Request an Appeal and Additional Information

An appeal is your request to NY State of Health to review and change a decision we have made about your eligibility.

How and When to Ask for an Appeal

You have 60 calendar days from the date on this notice to ask for an appeal. You will receive a letter from NY State of Health saying that we received your request. We will send you a letter telling you the date and time of your appeal hearing.

Asking for Your Coverage to Continue

If you have coverage, you can ask to keep it while you go through the appeals process. You must ask for this when you ask for an appeal. This means that your current insurance program will continue until a decision is made about your appeal. If you have Medicaid coverage, we will continue your coverage if you request it within 10 days from the date of this notice OR before the eligibility effective date listed in this notice, whichever is later.

The Appeal Hearing

The hearing is your chance to explain why you disagree with the NY State of Health's decision. A hearing officer will make a decision about your appeal. The hearing officer will not take sides and will not favor you or NY State of Health. The officer will conduct the hearing by phone. Here is what you need to do before, during, and after the hearing.

Before the hearing

Look at the documents NY State of Health used to make a decision about your eligibility. You can send us information that might help us understand your appeal.

You can request specific policy materials necessary to help you decide whether to ask for an appeal or to help you prepare for your appeal hearing. We may try to resolve your issues through an informal dispute resolution process.

During the hearing

You can have someone with you during your telephone hearing if you want to. That person can be a friend, relative, lawyer, or other individual. Or you can participate in your hearing on your own.

After the hearing

The outcome of an appeal could change the eligibility of other people on your account even if they do not ask for an appeal.

If the appeal is not resolved in your favor, you may be responsible for the cost of the health coverage that you used while your appeal was being processed. Here are some examples of what you may have to do when the appeal is not resolved in your favor:

- If you received coverage through Medicaid while your appeal is being determined, you may have to pay back the cost of Medicaid benefits you received.
- If you were enrolled in the Essential Plan or Child Health Plus while your appeal was being determined, you may have to pay back your premium, if you have a premium.
- If your appeal found that you are not qualified for tax credits, the IRS will reconcile your tax credits when you file your federal tax return, which may result in a tax penalty.
