IMPORTANT NOTICE ABOUT YOUR ELIGIBILITY THROUGH NY STATE OF HEALTH

Sammy Abdella

Marketplace ID: HX0015539368 / CIN: RT76473K

Starting December 01, 2025, you qualify for Medicaid.

But, you must provide more information. If you miss the due date(s) below, you may lose your health insurance or receive less help paying for your health coverage. See the instructions for sending additional proof and the documentation list(s) starting on page **3**.

Action Needed:

► **Provide proof of Immigration Status by February 08, 2026.**

There can be more than one document to prove your current immigration status. Please send in all documents you have available that prove your current immigration status. See the documentation checklist later in this notice for a full list of acceptable documents.

Helpful Information:

► **Show your other health insurance or MEDICARE card and your Medicaid card when you get medical services.** The provider is required to bill the other health insurance or MEDICARE before billing Medicaid.

Medicaid may pay for additional benefits and services not covered by your other health insurance or MEDICARE if your provider accepts Medicaid.

- ▶ **You may be able to get your health insurance premiums, including MEDICARE premiums, paid by Medicaid.** If you are enrolled, or can be enrolled in employer group health insurance, call us for more information.

If you have MEDICARE, no action is needed. NY State of Health will determine if you are eligible for reimbursement of your Medicare Part B premiums and notify you of our decision in a separate notice.

How We Made Our Decision

NY State of Health looked at your household size, income and other information listed in your application, and information from state and federal data sources on November 10, 2025 to decide your eligibility.

If you think we made a mistake, contact us right away at **1-855-355-5777 (TTY: 1-800-662-1220)**.

Sammy Abdella

Marketplace ID: HX0015539368 / CIN: RT76473K

We based this decision on a household income of \$0.00 per year and your household size. Your household income is at or below \$21,597.00. This is the income limit for Medicaid for your household size.

We need more information to confirm your eligibility for Medicaid through NY State of Health.

You do not qualify for other programs because:

- ▶ Individuals who have coverage through Medicaid do not qualify for Child Health Plus, the Essential Plan, or the premium tax credit.
- ▶ Our information shows you are eligible for or enrolled in other health insurance that has minimum essential coverage. Individuals who are eligible for minimum essential coverage outside of NY State of Health do not qualify for the Essential Plan or the premium tax credit.

If You Think We Made a Mistake

If you think we made a mistake about your eligibility, you can call us to discuss your concerns. Call NY State of Health at 1-855-355-5777 (TTY: 1-800-662-1220).

You can appeal a decision:

- That you do not meet the rules to buy a health plan for yourself or your family through NY State of Health. Example: You do not live in New York State, or are incarcerated;
- That you do not meet the rules for getting help paying for a health plan you want to purchase;
- On how much you must pay for your monthly premium if you applied for financial help;
- That you do not meet the rules for coverage under Medicaid, Essential Plan or Child Health Plus;
- On how much money you must pay for Child Health Plus coverage if your children are eligible for this program;

- On how much money you must pay for Essential Plan coverage if you or a household member are eligible for this program;
- That you do not meet the rules for signing up for insurance through NY State of Health during "open enrollment" or a "special enrollment period;"
- Delayed by NY State of Health. Example: You did not get a notice telling you if you meet the rules for Medicaid coverage within the required 45 days.

NY State of Health has a coordinated appeals process, which means that its Appeals Unit will hear all the issues listed above. You can find the general process for NY State of Health appeals and the details for premium tax credit, cost-sharing reductions, qualified health plans, and enrollment periods at 45 Code of Federal Regulations (CFR) part 155, subpart F. Additionally, you can find the Medicaid fair hearing rules at 42 CFR part 431, subpart E and the Child Health Plus rules at 42 CFR § 457.348(b). For Essential Plan appeals, NY State of Health follows the process and rules at 45 CFR part 155, subpart F; however, appellants cannot appeal their Essential Plan eligibility to the Federal Department of Health and Human Services.

How to Request an Appeal and Additional Information

An appeal is your request to NY State of Health to review and change a decision we have made about your eligibility.

How and When to Ask for an Appeal

You have 60 calendar days from the date on this notice to ask for an appeal. You will receive a letter from NY State of Health saying that we received your request. We will send you a letter telling you the date and time of your appeal hearing.

Asking for Your Coverage to Continue

If you have coverage, you can ask to keep it while you go through the appeals process. You must ask for this when you ask for an appeal. This means that your current insurance program will continue until a decision is made about your appeal. If you have Medicaid coverage, we will continue your coverage if you request it within 10 days from the date of this notice OR before the eligibility effective date listed in this notice, whichever is later.

The Appeal Hearing

The hearing is your chance to explain why you disagree with the NY State of Health's decision. A hearing officer will make a decision about your appeal. The hearing officer will not take sides and will not favor you or NY State of Health. The officer will conduct the hearing by phone. Here is what you need to do before, during, and after the hearing.

Before the hearing

Look at the documents NY State of Health used to make a decision about your eligibility. You can send us information that might help us understand your appeal.

You can request specific policy materials necessary to help you decide whether to ask for an appeal or to help you prepare for your appeal hearing. We may try to resolve your issues through an informal dispute resolution process.

During the hearing

You can have someone with you during your telephone hearing if you want to. That person can be a friend, relative, lawyer, or other individual. Or you can participate in your hearing on your own.

After the hearing

The outcome of an appeal could change the eligibility of other people on your account even if they do not ask for an appeal.

If the appeal is not resolved in your favor, you may be responsible for the cost of the health coverage that you used while your appeal was being processed. Here are some examples of what you may have to do when the appeal is not resolved in your favor:

- If you received coverage through Medicaid while your appeal is being determined, you may have to pay back the cost of Medicaid benefits you received.
- If you were enrolled in the Essential Plan or Child Health Plus while your appeal was being determined, you may have to pay back your premium, if you have a premium.
- If your appeal found that you are not qualified for tax credits, the IRS will reconcile your tax credits when you file your federal tax return, which may result in a tax penalty.
