Employment Confirmation Letter

To whom it may concern:

This letter serves to confirm that Nancy Wu is a psychotherapist employed under my direct supervision at Q'Lective Therapy.

Nancy has been employed in this position since May 19th, 2025. Nancy previously held the position of Advanced Clinical Intern from May 20th, 2024 - May 16th 2025, while completing their final year in graduate school.

Nancy is a fee-for-service employee and their estimated income for the next year at this practice is estimated to be between: \$114,000.00-\$160,000. This estimated salary range is based on a calculation between their current caseload size (lower number) and the expected/desired caseload size for this position (higher number). Based on Nancy's performance this past year, I am confident that they will reach at least \$160,000 this year.

Warmly,

A handwritten signature in black ink that reads 'Nyx S. Melody, LMHC-D'. The signature is fluid and cursive, with the initials 'Nyx' being particularly prominent.
