Lease Guarantee

Rider to lease dated 10/20/2025 between the
_____ as Landlord, and Sammy Abdella as Tenant(s),
being a guarantee of the Lease by a Guarantor other than the Tenant.

In consideration of the Landlord entering into the lease conveying the demised premises described herein to the Tenant, the undersigned Guarantor hereby guarantees to Landlord the strict performance of and observance by the Tenant of all the agreements, provisions, rules, and regulations in the attached Lease.

The Guarantor agrees to waive all notices of nonpayment of rent or failure to observe and comply with all of provisions of the attached lease; to be equally liable with the Tenant so that the Landlord may sue the Guarantor directly without any condition precedent of having to sue the Tenant. Additionally, the Guarantor further agrees that this Guaranty will remain in full force and effect if the Lease is renewed, changed, or extended in any way and even in the event the Landlord has to make a claim against the Guarantor. The Guarantor and Landlord agree to waive a trial by jury in any action, proceeding or counterclaims brought by each against the other or the Tenant, on any matter concerning the attached Lease or this Guarantee. If the Guarantor is a corporation, the person affixing his or her signature hereto warrants that he or she is the officer of the corporation so described, and that he or she has the authority to bind the corporation, and is also personally guaranteeing this Lease as an additional Guarantor.
