

T-Station Visa Information Base

To: Trip.com Group, Visa & Insurance Business Unit · Attn: Hazel Huang

Contract value USD 99,600 for year one: the one-time build plus the first year of the software subscription.

1 · ONE-TIME BUILD

LINE	USD
Base setup and storage	9,000
Version rollout, base	10,000
PLUS version, 18 sites at USD 1,700	30,600
Build total, paid once	49,600

2 · SOFTWARE SUBSCRIPTION USD 50,000 a year

INCLUDED IN THE SUBSCRIPTION	USD / MONTH	USD / QUARTER
Licence and 24/7 maintenance: a dedicated engineer on call around the clock. Government-site access through rendered browser sessions for the official pages that block automated reading (the US State Department, the EU travel site, several eVisa portals), so every record keeps being re-verified against its page instead of going stale. Secure hosting on an isolated server for Trip.com's data, with encrypted daily backups, a 1-hour recovery objective and 99.99% monthly availability backed by service credits. Acceptance Standard compliance: the monthly full check and the quarterly two-way sampling your section 4.3 requires, delivered as signed audit reports with every stage timestamped, so acceptance evidence exists every month without Trip.com staff time	2,667	8,000
AI usage, the model tokens the platform consumes each month at peak volume, priced at list rates with no cache discount: - every one of the 1,360 records re-read against its official page 15 times a month, 20,400 record verifications - about 28,000 official pages fetched, extracted and compared word by word with the stored quote - every contradiction between a page and a record reasoned and written up for the dispute queue - every moved or blocked official link searched for again and re-bounded to a government source 25,000 new route decisions a month for documents, purposes and destinations not yet in the base 15,000 composed Q&A answers a month in English, Simplified and Traditional Chinese, with multi-turn follow-ups, each answer grounded sentence by sentence in a record - every changed record re-rendered in all three languages with its special policy note - the section 4.3 monthly full check of all 25 fields on every record, 34,000 field checks	1,500	4,500
Subscription total, USD 50,000 per year	4,167	12,500

Year one: build plus the first subscription year

USD 99,600

Build USD 49,600 once. Subscription **USD 50,000 a year**, renewable each year and billed USD 12,500 per quarter, including the licence, hosting, 24/7 maintenance and every update to the four modules during the term. From year two the subscription is the only charge.
